Schedule

Compliance with these conditions is mandatory under the HVNL.

Condition ID	Condition Description
001	The approval holder must notify the NHVR and all existing EWD approval holders (as listed on the NHVR website) of new IP addresses and public key details whenever a change or update to these details occurs.
002	The NHVR may amend rule sets. When this happens the NHVR will contact approval holders. Approval holders must ensure the correct versions of rule sets are operational within their EWD.
003	The approval holder shall undertake ongoing penetration testing to ensure that the EWD continues to be resistant to unauthorised technical interference and where a compromise of this nature is detected or suspected provide notification to the NHVR. Minimum testing requirement is annually.
004	This approval is only for use on the following devices: <ul style="list-style-type: none">• iOS iPhone and iPad Version 12.0 or later• Android smartphones and tablets Version 6.0 or later
005	The approval holder must provide a statement to all drivers using the EWD regarding the way that rest time under 15 minutes is accounted for in the EWD. At a minimum the statement must include "rest time of under 15 minutes that does not satisfy a minimum rest requirements will not be added to your daily rest time total."
006	The approval holder must notify the NHVR of version control updates.
007	The approval holder must comply with the NHVR Electronic Work Diary (EWD) Standards as published on the NHVR website.
008	The certificate is valid for 3 years from the effective date subject to maintaining a valid system in line with the conditions on this certificate.

Change of details

This approval may be amended or cancelled on application by the approval holder, or by the NHVR pursuant to Chapter 6 of the HVNL. The NHVR must be notified as soon as is reasonable of any changes to the electronic recording system to which this approval pertains.
