National Class 1 Load Carrying Vehicle Mass Exemption Notice

National Class 1 Load Carrying Vehicle Dimension Exemption Notice

This document is referred to in section 6 of Schedule 1 of the National Class 1 Load Carrying Vehicle Mass Exemption Notice, and in section 3 of Schedule 1 of the National Class 1 Load Carrying Vehicle Dimension Exemption Notice (the LCV Notices). It provides stated areas routes and other conditions for vehicle access under those notices in the Australian Capital Territory.

Background

Compliance with the conditions of this document is a condition for access under the LCV Notices, and access is only granted to the road networks set out within this document.

This document also contains contact details for relevant agencies and third parties that operators may need to refer to when operating under the LCV Notices.

Travel Restrictions

When overall width exceeds 2.5m but not more than 4.5m or overall length exceeds 19m or overall height exceeds 4.3m, travel is prohibited:

- a) Between sunset and sunrise
- b) Between 7.00am and 9.00am, or between 4.00pm and 6.30pm weekdays or public holidays
- c) On Saturdays between sunrise and 1.00pm and on Sundays between 10.00am and sunset

- d) Travel is not permitted on weekends along Monaro Highway, Federal Highway, Sutton Road and Majura Road during the official snow season between the Queen's Birthday holiday period in June and the Labour Day holiday period in October

When overall width exceeds 4.5m but not more than 5.0m, movements must only be made after sunset and must be complete by 7:00am.

Travel is not permitted on icy roads when that condition is known to exist.

Pilot Requirements

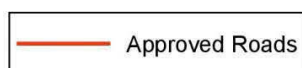

An eligible vehicle up to a maximum combination of 25.0m length, 3.5m width and 4.6m height that is **ONLY TRAVELLING** along one or more of the following roads does not require a pilot vehicle:

- a) Barton Highway,
- b) Federal Highway,
- c) Majura Road,
- d) Monaro Highway.

An eligible vehicle that is 5.0m wide and exceeds 27m in length must contact Roads ACT to determine if a police escort vehicle is required.
