

**THERE DOESN'T  
HAVE TO BE AN  
INCIDENT TO BREACH  
THE PRIMARY DUTY**

**THERE'S ALWAYS  
SOMETHING WE  
CAN DO TO ENSURE  
PUBLIC SAFETY,  
AND MEET  
THE PRIMARY  
DUTY.**

# MANAGING OUR TRANSPORT SAFELY

## STARTS AND FINISHES WITH COUNCIL.

**ANYTHING THAT  
COULD BE DONE  
SHOULD BE DONE.**

# **The Chain of Responsibility benefits all road users.**

**You, friends, family,  
neighbours, colleagues, and  
the wider community.**

**EVERY DECISION AND  
EVERY ACTION HAS  
THE ABILITY TO  
INFLUENCE HEAVY  
VEHICLE SAFETY.**

**Every party involved in the transport  
of goods by a heavy vehicle must  
work together to ensure that  
transport activities don't put the  
public at risk.**

**The goal of shared  
responsibility is to  
eliminate risks for all road  
users and ensure public  
safety.**
