

Exemption permit application for renewal or transfer of ownership

Heavy Vehicle National Law Section 69

General information

This form is to be used by applicants (either heavy vehicle owners or registered operators) seeking renewal of an expiring exemption to the Vehicle Standards for an exemption permit or for transfer of a permit to a new heavy vehicle owner or registered operator. This form can be used for applications to renew or transfer an exemption permit issued by a participating jurisdiction or by the NHVR.

An application for renewal of an expiring exemption permit should be made three (3) months before the expiry date. An application for transfer of an exemption permit should be made as soon as the details of the new heavy vehicle owner or registered operator are available.

This form is not to be used if an existing permit has expired. Use the *e Exemption Permit Application form* in that situation.
