

CHANGE TO PERMITS - Australian Capital Territory.

NHVR to process all vehicle permits from 28 August 2017

The National Heavy Vehicle Regulator (NHVR) and Roads ACT within the ACT Government have been partnering to return heavy vehicle permit processing to the NHVR during 2017.

Roads ACT will hand back the processing of Class 1 heavy vehicle permit applications for the Australian Capital Territory to the NHVR from 28 August 2017.

The NHVR will process all heavy vehicle permit applications that were previously processed by Roads ACT for travel in the Australian Capital Territory.

To apply for a permit from 28 August 2017, operators will need to lodge applications with the NHVR. Applications can be lodged using the NHVR Portal. To access the NHVR Portal, log on to - **www.service.nhvr.gov.au**
