

## South Australia Class 3 Heavy Vehicle 23m Truck and Dog Trailer Mass and Dimension Exemption Notice 2017 South Australia – Additional B-double Commodity List

The purpose of this document is to advise operators of heavy vehicles operating under the South Australia Class 3 Heavy Vehicle 23m Truck and Dog Trailer Mass and Dimension Exemption Notice 2017 (the Notice) of additional routes.

These additional network includes the B-double commodity routes for Local Government areas specified in the 23m Truck and Dog Commodity List (see below).

This network is not shown in the gazetted Rigid Truck and Dog (23m) (GML) published network on RAVnet or NHVR's Route Planner.

### Additional Routes approved under the Notice

Certain councils on the Eyre Peninsula have approved access to their B-double commodity routes when carrying specific commodities. When operating on these additional routes all conditions imposed under the notice apply.

### Additional Travel and Road Conditions of Operation specific to West Coast and Eyre Peninsula Commodity Routes

Some West Coast and Eyre Peninsula Councils have developed a set of additional operating conditions to be complied with when operating on their B-double commodity routes. These conditions include:

- Restricted speed loaded or unloaded to 80kph on sealed council roads outside town limits;
- Restricted speed loaded or unloaded to 70kph on unsealed council roads outside town limits;
- Restricted speed loaded or unloaded to 40kph within town limits; and
- RAV operators are required to inspect all unsealed routes which have received greater than 15mm of rain in the preceding 24 hours to ensure that the pavement will not be damaged by the RAV operation.

Some minor variations may apply across Council boundaries; Restricted Access Vehicle (RAV) operators are advised to print a copy of the Commodity Routes

map for their area of operation to ensure they are aware of any regional variation which may apply to their journey.
