

Access network changes – Additional routes for February 2018

This fact sheet contains a summary of additional routes added to heavy vehicle networks for February 2018 that did not require a gazettal notice. These changes once approved by the NHVR, were automatically updated on the NHVR Journey Planner and relevant road transport authority map.

A monthly summary of the updates to heavy vehicle networks that occur directly on state road transport authority mapping sites (without any gazettal notice) can be found at www.nhvr.gov.au/access-network-changes
