Schedule

Compliance with these conditions is mandatory under the HVNL.

Condition ID	Condition Description
001	The approval holder must notify the NHVR and all existing EWD approval holders (as listed on the NHVR website) of new IP addresses and public key details whenever a change or update to these details occurs.
002	The NHVR may amend rulesets. When this happens the NHVR will contact approval holders. Approval holders must ensure the correct versions of rulesets are operational within their EWD.
003	The approval holder shall undertake ongoing penetration testing to ensure that the EWD continues to be resistant to unauthorised technical interference and where a compromise of this nature is detected or suspected provide notification to the NHVR.
004	This approval is for the use of MV Driver on the following devices: • iOS iPhone and iPads • Android smart phones and tablets
005	The applicant must provide information or carry out additional testing as requested by the NHVR.
006	The approval holder must comply with the NHVR Electronic Work Diary (EWD) Standards as published at the time this application was assessed.
007	The certificate is valid for two (2) years from the effective date subject to maintaining a valid system in line with the conditions on this certificate.

Change of details

This approval may be amended or cancelled on application by the approval holder, or by the NHVR pursuant to Chapter 6 of the HVNL. The NHVR must be notified as soon as is reasonable of any changes to the electronic recording system to which this approval pertains.
