

Application for amendment or cancellation exemption (permit)

Heavy Vehicle National Law Section 75

General information

This form is to be used by a vehicle standards exemption permit holder seeking an amendment to or cancellation of a vehicle standards exemption (permit) issued by the NHVR. This form can also be used to amend or cancel of an existing vehicle standards exemption permit issued by a participating jurisdiction.

An application for amendment or cancellation of a permit should be made as soon as the details of the amendment or reason for cancellation are known.

For further information on vehicle standards exemption permits please refer to the NHVR website or contact the NHVR office. Contact details are at the end of this form.

Before you begin

- Details for each individual additional heavy vehicle included in this application must be provided. An assessment of the application will not commence until all information is provided by the applicant.
- If you are nominating a third party to act on your behalf you **MUST** complete Section 2 of this form.
- Applications should be comprehensive and include any additional information which will assist with the assessment of the application.
- If additional space is required to complete a section, please include this in a separate document referencing the relevant section and part number e.g. 4 Vehicle details.

If this application is for:

- single or multiple heavy vehicles listed on one permit – only a single application is required.
- multiple permits – a separate application for each permit is required.

All fields must be completed unless otherwise instructed.

Inspection services provided by a registering authority may incur a fee.
