Victoria transitional notices were gazetted notices, guidelines, exemptions and other legal instruments that were made under state legislation prior to the commencement of the Heavy Vehicle National Law in 2014.

All transitional notices were reviewed in consultation with their originating state and have been:

- made redundant and not renewed
- consolidated into [National notices \(https://www.nhvr.gov.au/law-policies/notices-and-permit-based-schemes/national-notices\)](https://www.nhvr.gov.au/law-policies/notices-and-permit-based-schemes/national-notices)
- incorporated into [Victoria HVNL notices \(https://www.nhvr.gov.au/law-policies/notices-and-permit-based-schemes/state-notices/victoria\)](https://www.nhvr.gov.au/law-policies/notices-and-permit-based-schemes/state-notices/victoria).
